Creative and spontaneous person whom loves splashes of colours. Studied in polytechnic for a diploma in animation and currently taking on the visual effect route to broaden her world, skill sets and interests. Detailed-orientated, love working in teams and learning new things.

EDUCATION

School Of Art, Design and Media (ADM)
Nanyang Technological University
Bachelor of Fine Arts in Digital Animation
2016 - 2020

School of Interactive & Digital Media (SiDM)
Nanyang Polytechnic
Diploma in Digital Media Design
2013 - 2016

EXPERIENCE

SideFX Studios
Holiday Graduate Internship (May - August 2018)

Under their guidance, I was able to learn the basics and pick up Houdini. I also did some in house modelling.

Robot Playground
Internship (December - February 2016)

I helped out with their 3D projects during the time I interned there. Ranging from mainly modelling, texture to animation.
