DEMO REEL

📺 <https://vimeo.com/changuanhua/demoreel19>

I am a creative and highly motivated visual effects artist, 3d generalist and film maker with experience in creating effects and computer graphics for all mediums of media and print. I believe in achieving goals and promptly meeting deadlines as I am well disciplined and determined. I am also a team player as I believe teamwork is crucial to achieve the desired results for any project. I seek to bring value to the team and studio with my skills and abilities.
