* A GRAPHIC DESIGNER, WEB DESIGNER, MUSICIAN,
& (AMATEUR) PHOTOGRAPHER AMONG OTHER THINGS. *

ABOUT ME

My belief in design is that it should serve a purpose and bring out stories from the subject matter.

I realised my passion for design in 2010 after accidentally applying to a design and media related polytechnic course; however, I loved it and have never looked back since. I also grew a passion for social design in NTU ADM and started a podcast under @grain.community on Instagram in 2020.
