EXPERIENCE

Tribal Worldwide

Internship between May 2019 to July 2019

- As part of the Telling Stories team, I had a wide exposure working on various production sets from commercials to social media posts. I assisted the team with my skills as a director of photography by helping with shooting social media posts and behind the scenes coverage.
- As an editor, I was tasked to edit various social media posts for multiple platforms. While being part of the editorial team, I was given the opportunity to pitch stories of various profiles for the client's social media accounts

Channel NewsAsia

Internship between May 2018 to July 2018

- During this internship, I worked with the Digital News side as an editor and producer, covering from pre-production to post-production.
- At the Digital News Desk, I was tasked to edit and produce videos for various breaking news stories along side producing video content for CNA Lifestyle and CNA Insider outlets.
- This opportunity allowed me to learn pitching stories and working on short timelines due to the fast paced environment.

Singapore Civil Defence Force

National Service between May 2014 to March 2016

- During the period of my training as an Officer Cadet and later as a Rota Commander, I was tasked to produce content numerous times. Some of the videos include the commissioning day parade video as well as videos for the new Jurong Fire Station's ground-breaking ceremony.

- During my stint as a Rota Commander at Jurong Fire Station, I had the opportunity to learn management of people within my unit, and had the privilege to be a frontline firefighter facing stressful and dangerous calls.

Big Red Button Pte Ltd

Internship between January 2014 to April 2014 & April 2016 to July 2016

- During the period of internship, I was given the opportunity to learn how to use the film editing software, Adobe Premiere. As I picked up the software within weeks, I had cut 5 commercial videos for their clients.
- My short stint here enabled me to pick up important soft and hard skills while working on projects for the production house.
- I also had the opportunity to travel overseas with the team to cover the World Scholars Cup in New York and Hanoi.

Beng Kuang Marine Ltd

Part-time Photographer between November 2011 to December 2011

- During this stint, I was responsible to photograph the inventory of maritime products for the creation of an online catalog for the supply and distribution team which is used by sales representatives.
- I also captured the work done in the warehouse by the team to add to the company's portfolio. These photographs have been featured on their website and publications.
