PROFILE

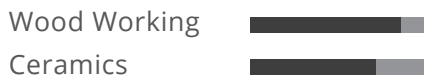

As a beginner in the field of designing profession, I would like to work with accomplished and eminent team of designers that would add to my knowledge as well as experience in terms of working with an acclaimed group. I mainly interested in traditional wood working which requires high level of patiences and skill to achieve. I would also like to study different ways to blend traditional and comtemporay designs.

INTEREST

EXPERIENCE

- Free Lance**

 - Digital rendering of 3D objects according to sketches and photo references
 - Photo editing using photoshop
 - Photographer
- Exchange Programme**

KTH Royal Institute of Technology / Stockholm, Sweden / 2019

During exchange at KTH, I managed to work with students from different European countries and learned various ways of ideation and designing principles. Also, I planned and travelled 16 countries to explore cultural differences and opened my vision to diverse styles of design. Through communicating with locals of various countries, I became more understanding to intercultural differences.
- L'OREAL Brandstorm 2020**

Singapore / 2020

2nd runner-up National Level.

Brandstorm is L'Oréal's very own innovation competition with over 60 countries competing. The competition gives teams of three students the chance to tackle a real business case and innovate new ideas for some of L'Oréal's 24 international brands. Brandstorm 2020 aims to build a plastic-less future in the beauty industry.
- Part Time Jobs**

Singapore 2010-2018

To improve on communication skills and expose myself to various type of customers. I tried different positions from Barista, Macdonald's crew to call agent at Samsung call centre.

EDUCATION

- GCE O-Levels**

Jurong West Secondary School, Singapore / 2009-2012

-Basketball Team Vice Captain
- GCE A-Levels**

Pioneer Junior College, Singapore / 2012-2014

-Choir Exco Member (Welfare Head)
- Bachelor in Fine Arts in Product Design**

Nanyang Technological University, Singapore / 2016-2020
